PACKAGING COST CONTRIBUTION

All accessories except hard cases (that have their own packaging) are shipped assembled in carton boxes for transportation.

A packaging cost contribution will be charged on every invoice and calculated as 1.30 Euro per each carton box in the shipment (except cases).

CASES

MONOKEY® FITTING SYSTEM

Monokey® is the fitting system for panniers and top cases most famous both for bikers and scooter riders all over the world. Patented by GIVI, adopted by KAPPA, the Monokey® has introduced the possibility to operate with only one key both for the opening of the top case and the detachment of the case from the fitting plate. It is universally famous for its mechanic characteristic, that permits the user to travel in complete security and also for an adventure use, thanks to the high level of rigidity of the system, combined with compact and light components. The secret is the uniform distribution of the load on the plate surface, guaranteed by the three fitting points, which are placed in such a way to obtain the widest possible contact surface. The damping of oscillating and vibration and the contact between the bottom shell and the plate are assured by four spacers made of elastic material, which is particularly resistant to extreme weather and temperature variation. Thanks to these solutions a high level of reliability of the fitting is guaranteed even under the heaviest stresses and strains over the years.

MONOLOCK® FITTING SYSTEM

Projected to offer a wider range of applications and uses of the top-cases, the Monolock® system has been conceived for lighter vehicles, such as scooters and maxi-scooters, used mainly for short/mid range commuter transport requirements. The Monolock®, introduced by GIVI, follows the same philosophy that defines the Monokey® fitting system, like the opening of the case top shell and the detachment of the case from the plate with one key only- thought to support less weight, without losing nothing in reliability and performances, but obtaining characteristics of lightness and more reduced overall.

MONOKEY® SIDE FITTING SYSTEM

This system represents an interesting alternative for the biker interested in mounting on his bike a pair of panniers. The innovative elements that characterize the Monokey® Side can be recognized by the shape of the inclined holder and by the two fixing points, composed by "sleds". The latter receive the disengagement movement from the case release button and determine a significant and further increase on overall stability. The Monokey® Side allows to obtain a major adhesion of the case to the side of the motorcycle, improving the aerodynamic aspect. As the two previous systems, also the Monokey® Side makes use of the comfortable and rapid opening system and release with the same key.

FIXED FITTING SYSTEM

This fitting system, developed by KAPPA, is the most universal from the ones previously described. Designed for scooter boxes from the KCY25 range and for the model KCY14N for bicycles, it uses the bottom as a base for a secure and stable fitting on all vehicles equipped with luggage carrier. The kit is complete of metallic supports and screws. With very simple modifications, practicable by the user, the KCY25 and KCY14N top-cases can become compatible with the original luggage carriers present on the market.

LOCK BARRELS SUITABLE FOR K53

- 4 - Z661** Lock barrel for case lock. (thickness key 2,5 mm)

LOCK BARRELS SUITABLE FOR K30

- 5 - Z156** Lock barrel for case lock (thickness key 2 mm)

KEY BLANK

- 6 - Z135** Key blank not numbered for duplication with red handle (thickness key 2 mm)
- 7 - Z661G** Key blank not numbered for duplication with red handle (thickness key 2,5 mm)

“SECURITY LOCK” KIT

It is the new locking system made by locks of automotive derivation. “Security Lock” heightens the protection level from burglaries, by using components of tempered steel like the cylinders with central armored curving, key with double bit, made in steel with 3mm thickness. This is a solution that KAPPA adopted upon the cases to increase the safety of your luggage (it is the 80% safer than the traditional locks).

The “Security Lock” kit **is compatible** with the following models of cases:
KVE42A - KVE37APACK2 - KGR52 - KGR33 - KGR46 - K49 K49NT - K47 - K47NN - K47NT - K466 - K46 - K46NT - K37 - K37NN - K37NT - K35 - K35NT - K33 - K26

The “Security Lock” kit **cannot be used** on the following models of cases:
K53N - K48N - K961N - K40N - K42N - K30N - K28N - KCY25N - KCY14N

SECURITY LOCK KIT (FOR 1 CASE)

SOFT LUGGAGE

RACER RANGE

With its 11 models, the RACER represents the most complete soft bag range in the KAPPA catalogue. Characterizing the range there are high quality materials (Polyester 840D, and Polyestere 1200D textured with inserts in eco-leather and EVA laminate) and a realization without compromise and very accurate even in the small details.

The range includes every kind of bag, from the classic bags for luggage, with capacity from 5 to 37 liters, all provided with rain covers in high visibility color (taking advantage for the safety), and other compact containers for specific accessories.

The Races line allows you to use at best every available space of your 2 wheels vehicle.

LIGHT RANGE

This KAPPA range is the most interesting in price-quality ratio. The models included in the range are now six, made of Polyester 420D or Nylon 840D plus finishes in reflective material and with an high versatility. Rain covers included.

DRY PACK RANGE

The range is characterized by a set of 100% waterproof bags, guaranteed from a high frequency seam process and from the use of electromagnetic waves, that give durability and resistance.

Common characteristics: PVC Tarpaulin 500d type material, that guarantees a good balance between strength and ductility.

Bending tight the opening of the bags, for three times on itself, it creates a hermetic seal that doesn't permit the entrance of the water, and is called the roll-top system.

CUSTOM QUALITY RANGE

In order to satisfy the custom and cruiser motorcycle riders, Kappa has introduced a new range of bags, made in buffalo leather.

MOTORCYCLE ACCESSORIES

LH203R - TAIL BAG

LH203R

Expandable mini tail bag, was created to be combined to the Enduro bikes, equipped with an internal bag to protect useful tools, rain cover, shoulder belt, and with a non slippery rubber bottom that guarantees a secure and stable adherence.
Material: Polyester 420D PVC and inserts in silver reflective material.
Mounting kit: 3 adjustable belts for attaching the bag to the saddle or to the luggage carrier.

TECH INFO

LH204 - MAP HOLDER

LH204

The LH204 is an expandable map holder equipped with internal document holder, a patch pocket, antislip bottom and safety belt to be fastened on the handlebars. The real novelty is the possibility to use the tank bag LH204 as an iPad holder. The top and transparent pocket allows the use of this navigation tool giving access to the touch screen and the guarantee that the Ipad remains protected thanks to the waterproof zippers.
- Magnets: n° 3 extractable magnets for metallic tanks
- Mounting kit: sliding/folding mounting kit for Tank base TKB00 / magnets / adjustable belts for non metallic tanks.
- Anti-slip bottom
- Security belt to fasten the bag on the steering wheel
- Waterproof zippers
- Nylon fabric 840D

TECH INFO

LH208 - HANDLEBAR BAG

LH208

Handlebar bag for the bike. Equipped with waterproof cover. Equipped with belts to become a waist bag.

Material: Polyester 420D PVC and inserts in silver reflective material.

TECH INFO

👉 = Item available until it runs out of stock

LH206 - TANK BAG

LH206 Magnetic tank bag with handle for the carrying and shoulder belt. Map holder pocket with zipper and fluorescent waterproof cover included.
Material: polyester 420D PVC and inserts in silver reflective material.
Mounting kit: 4 magnets

COMPLEMENTS FOR BAGS

TK4KIT

TK4KIT Magnets kit (including 4 magnets to allow the mounting on metallic tanks)

TKW748

TKW748 Waterproof Map-holder /Tablet-holder. With 4 adjustable belts and hooks to be fixed to the rings on the base of the bags.
Compatible with the following bags:WA403SM, WA403, LH200SM, LH200, LH201SM, LH201, RA302, TKB754, TKB748, TK713, TK708, TK733
Dimensions : (L x H) 30 x 38,5 cm.

TKB00

TKB00 Universal "Tanky" base, adaptable to non-metallic tanks, recommended for naked and sports motorcycle. This base allows the mounting of all Kappa tank bags with a capacity higher than 10 ltrs.

MOTORCYCLE ACCESSORIES

MOUNTING POSSIBILITIES FOR TANK BAGS

FITTING ON NON-METALLIC TANKS BY MEAN OF THE BELTS INCLUDED

1. Bind the belts included to the frame of the motorcycle

2. Fit the other end of the belts to the D-ring rings on the base of the bag

FITTING ON METALLIC TANKS BY MEAN OF THE TK4KIT MAGNETS KIT

1. Insert the 4 magnets in their seats

2. Fit the bag on the motorcycle tank

FITTING ON NON-METALLIC TANKS BY MEAN OF THE TANKY FITTING SYSTEM

1. Fit the Tanky Fitting System on the frame of the motorcycle, through the 4 adjustable belts

2. Fit the bag on the Tanky base through the belts included

MOUNTING POSSIBILITIES FOR SADDLE BAGS

TUBULAR SUPPORT FOR SOFT BAGS

Available for many models of motorcycles and scooters, these tubular supports allows you to improve the stability of the soft bags during the ride, and preventing direct contact with the fairing. These tubular supports provide a valuable support for the two soft bags, also greatly improving the ease of mounting of the same.

TK__ / TE__ K / TUBULAR SIDE HOLDER

In order to facilitate the secure and stable fitting of the universal saddle bags, KAPPA has studied the specific tubular supports for various motorcycle models. The mounting of the tubular supports allows a perfect anchorage of the bags and represents an added warranty by avoiding the unpleasant damages caused by the proximity of the muffler to the bags.

UNIVERSAL MONORACK (K1200) / UNIVERSAL PLATE (K636)

In any case.

GENERAL CONDITIONS OF SALE

- 1. Scope**
- 1.1** The conditions below apply to the supply of goods and other services by KAPPA srl.
- 1.2** These terms of business apply exclusively; any buyer conditions that conflict with or differ from these terms of business will not be recognized unless KAPPA srl has specifically agreed to this in writing.
- 2. Orders and Specifications**
- 2.1** The range shown on KAPPA srl's web-site, web-order system and KAPPA srl's printed catalogue does not represent a legally binding offer but a non-binding online catalogue or printed catalogue.
- 2.2** The buyer will order the goods or services required by accessing the reserved web-order area or via fax / E-Mail. No order submitted by the buyer shall be deemed to be accepted by KAPPA srl unless and until confirmed in writing by KAPPA srl.
- 2.3** Any purchase order placed by the buyer shall be intended as full and complete acceptance of the present Terms and Conditions of Sale that the customer declares to have read and understood.
- 2.4** KAPPA srl reserves the right to refuse an order fully or partially according to stock availability, production capability and delivery date required by the customer.
- 3. Price, Invoice, payment,**
- 3.1** All prices are in euro (VAT is not due, therefore not included) and can be subject to alteration with 15 days prior notice from KAPPA srl. All prices are intended for goods delivered EX-WORKS "Incoterms" ICC 2010 (from our warehouse in Barbariga).
- 3.2** Invoices must be paid within their expiry date.
- In case one or more invoices are expired and unpaid, or the maximum exposure limit is reached or exceeded, KAPPA srl shall be entitled to suspend any further deliveries to the buyer until the overdue payment is received in full (payments received need to be confirmed by KAPPA srl's Bank, when credited on KAPPA srl's bank account).
- 3.3** In case of delayed payment or non-payment, KAPPA srl is entitled to apply commercial interest on arrears as per "Decreto legislativo 231/2002" (Legislative Decree 231/2002 as per the Italian law) and expenses at the bank rates in-force from time to time.
- 4. Packaging and shipment**
- 4.1** A packaging cost contribution is charged by KAPPA srl in each invoice and calculated based on the number of cartons needed to contain and protect the goods during the transportation.
- 4.2** Shipments are not prepared on pallets unless specifically requested by the buyer. The cost of the pallets, if used, is charged by KAPPA srl on the invoice to the buyer.
- 5. Transportation**
- 5.1** Buyer and KAPPA agree and acknowledge that the place of delivery of the goods is at the KAPPA logistic centre in Barbariga (BS), Italy
- 5.2** No claim for missing or damaged goods can be accepted by KAPPA srl past eight days after the delivery of the goods
- 6. Custom Duties**
- 6.1** The buyer will be liable for import custom duties if applicable in its country.
- 7. Order cancellation**
- 7.1** No order which has been accepted and confirmed by KAPPA srl may be cancelled by the buyer except with the agreement in writing of KAPPA srl and on terms that the request of order cancellation from the buyer is received before the start of the shipment preparation. In case the order is cancelled after the shipment preparation has started, KAPPA srl will be entitled to invoice to the buyer the costs incurred by KAPPA srl.
- 8. Property**
- 8.1** Notwithstanding delivery and the passing of risk in the goods, the property in the goods shall not pass to the buyer until KAPPA srl has received payment in full of the price of the goods and the buyer has fully performed all of the terms and conditions hereof.
- 8.2** Before transfer of ownership, the buyer will only be entitled to these goods with the prior written approval of KAPPA srl. If a third party seizes the goods, particularly if the goods are impounded, the buyer must inform KAPPA Srl immediately in writing and also point out to the third party immediately that KAPPA Srl have proprietary rights.
- 9. Returns**
- 9.1** No goods will be accepted for credit when returned without written permission from KAPPA Srl. No goods will be accepted for credit after one year from date of shipment.
- 10. Warranties and liability**
- 10.1** The warranty period is 24 months and begins when the goods are handed over to the final user. Defects in the goods will be corrected by KAPPA Srl after being informed of this by the buyer within this warranty period. KAPPA Srl will decide whether to replace or repair the goods and inform the buyer accordingly but KAPPA srl shall have no further liability to the buyer.
- 10.2** Every claim must be notified by the buyer to KAPPA Srl using the Warranty Claim Form provided by KAPPA Srl, with description of the fault and pictures showing and proving the claimed defect.
- 10.3** KAPPA Srl shall be under no liability in respect of any defect arising from fair wear and tear, willful damage, negligence, abnormal working conditions, failure to follow KAPPA Srl's instructions, whether oral or in writing, misuse or alteration of the goods without KAPPA Srl's approval.
- 10.4** If the claim is unfounded KAPPA srl reserves the right to claim reimbursement of the costs incurred from the buyer, if any.
- 10.5** KAPPA Srl shall be under no liability under the above warranty (or any other warranty, condition or guarantee) if the total price for the goods has not been paid by the due date for payment.
- 10.6** Except in respect of death or personal injury caused by KAPPA Srl's negligence, KAPPA Srl shall not be liable to the buyer by reason of any representation, unless fraudulent, or any implied warranty, condition or other term, or any duty at common law, or under the express terms of the present Terms and Conditions of sale, for any indirect, special or consequential loss or damage, whether for loss of profit or otherwise, costs, expenses or other claims for compensation whatsoever (whether caused by the negligence of KAPPA Srl, its employees or agents or otherwise) which arise out of or in connection with the supply of the goods or their use or resale by the buyer, and the entire liability of KAPPA Srl under or in connection with the sale of the goods shall not exceed the price of the goods, except as expressly provided in these Terms and Conditions.
- 10.7** KAPPA Srl shall not be liable to the buyer or be deemed to be in breach of these Terms and Conditions of Sale by reason of any delay in performing, or any failure to perform, any of KAPPA Srl's obligations in relation to the goods, if the delay or failure was due to any cause beyond KAPPA Srl's reasonable control.
- 11. Data protection**
- 11.1** If it has not been agreed to the contrary, KAPPA Srl will only use the buyer's data in order to carry out the sale contract. The buyer's permission is required to use this information for market and opinion research and for advertising.
- 12. General**
- 12.1** Changes and amendments to these Terms and Conditions of Sale must be in writing to be effective. There are no verbal secondary agreements.
- 12.2** If it has not been agreed to the contrary, the buyer may not transfer rights and obligations derived from the sale contract to a third party without KAPPA Srl's prior written agreement.
- 12.3** If any provision of these Terms and Conditions of Sale is or becomes invalid or unenforceable in whole or in part, the other provisions and the remainder of the provision in question shall not be affected. The contractual partners will agree to replace the invalid provision with a valid one that best corresponds to the economic aims of the contractual parties.
- 12.4** The present contract is governed by the laws of Italy.
- 12.5** The competent law courts of the place where KAPPA Srl has his registered office (Brescia, Italy) shall have exclusive jurisdiction in any action arising out of or in connection with this contract. However, as an exception to the principle here above, KAPPA Srl is in any case entitled to bring his action before the competent court of the place where the Distributor has his registered office. Should the Distributor have his seat out of EU, all dispute arising out of or in connection with the present General Conditions shall be finally settled under the Rules of Arbitration National and International Chamber of Milan by one or more arbitrators appointed in accordance with the said Rules.
- Note:** The solutions photographed in this catalog are examples of the range and KAPPA representative only. KAPPA reserve the right to modify wholly or in part, to add or remove products without prior notice.
